सरस्वती वंदना

हे विद्या की देवी सरस्वती मैया
हम पर उपकार करो
विद्या का दान हमें देकर मैया
हमरा उद्धार करो

माँ हमको भी बुद्धि दे दो
मन को हमारे शुद्धि दे दो
करती हो माँ काहे देरी
समझो मैया विपदा मेरी
सुन लो माता विनती हमारी
आ जाओ कर हंस सवारी
हम हैं माँ मूर्ख अज्ञानी हम
तो तुम्हरी पूजा न जानी
फिर भी हैं हम लाल आपके
विनती मेरी स्वीकार करो

माँ हर युग में सदा
आपकी जय जयकार हुई है
सारा ब्रह्मांड है माँ तुमसे
ए वेद पुराण सभी हैं
माँ तुम्हरे बिन ब्रह्म देव भी
भाग्य नहीं लिख पाते
बिना आपके कुम्भकर्ण को
निन्द्राशन कैसे दिलाते
माँ बसो मेरे अन्तर्मन में मुझ
में भी चमत्कार करो

हे वीणा वादिनी शारदे
माँ वीणा की तान सुना दीजै
उलझ गया संसार मैं हूँ मुझमें
मुस्कान माँ ला दीजै
हर रात चाँदनी हो मेरी
हर दिन को माँ त्यौहार करो

माँ है अथाह संसार का सागर
क्या खोया क्या मैंने पाकर
कृपा करो माँ अगर आप तो हो
जीवन धन्य धरा पर आकर
मानुष जनम मिला कृपा से
नहीं जाना है इसे व्यर्थ गँवा कर
माँ बीच भँवर में फँसी है नैया
हमरी नैया पार करो

CHAIRMAN MESSAGE

Today we live in a challenging world filled with technology and economical innovations. Education imparted in academic institutions is an effective tool to enable students to cope with the rapidly, changing world around them with knowledge and values they imbibe a culmination of which will certainly bring forth worthy human beings and leaders of tomorrow.

The power of education extends beyond the development of skills we need for economic success. It contributes to nation building and reconciliation. Our own reconstruction, development and successful interaction in the global fraternity depend largely on the progress we make, in educating our children. Education is central to the success of a whole range of other humanendeavours and enable young people to become adults who cherish the values of respect for women and children.

DIRECTOR'S MESSAGE

VINOD SINGLA
M.Com

Dear students,

Today, I want to talk to you about the power of perseverance. Life is not always smooth sailing; it's more like a roller coaster with its ups and downs. But remember, it's the bumps and twists that make the ride exciting and memorable.

When you face challenges or setbacks, it's easy to feel discouraged. However, it's during these tough times that your true strength shines through. It's the moments when you refuse to give up that define your character and set the stage for your success.

Dear students,

In a world that's constantly evolving, embracing change and innovation is essential for success. Change may seem intimidating, but it's also the source of growth and progress.

Imagine a world where nothing ever changed – it would be stagnant and unexciting. But change brings new opportunities, experiences, and discoveries. It's a chance to break free from the ordinary and explore the extraordinary.

As students, you have the unique advantage of being naturally curious and adaptable. Use these qualities to your advantage. Embrace change as a chance to learn and innovate. Be open to new ideas and experiences.

LEGAL ADVISOR MESSAGE

Dear students,

The only reason why humans have become more civil towards each other is that of the law that defends the weak and restrains the mighty and powerful. Otherwise, the world would be a jungle. Only the brave and vigorous would have survived.

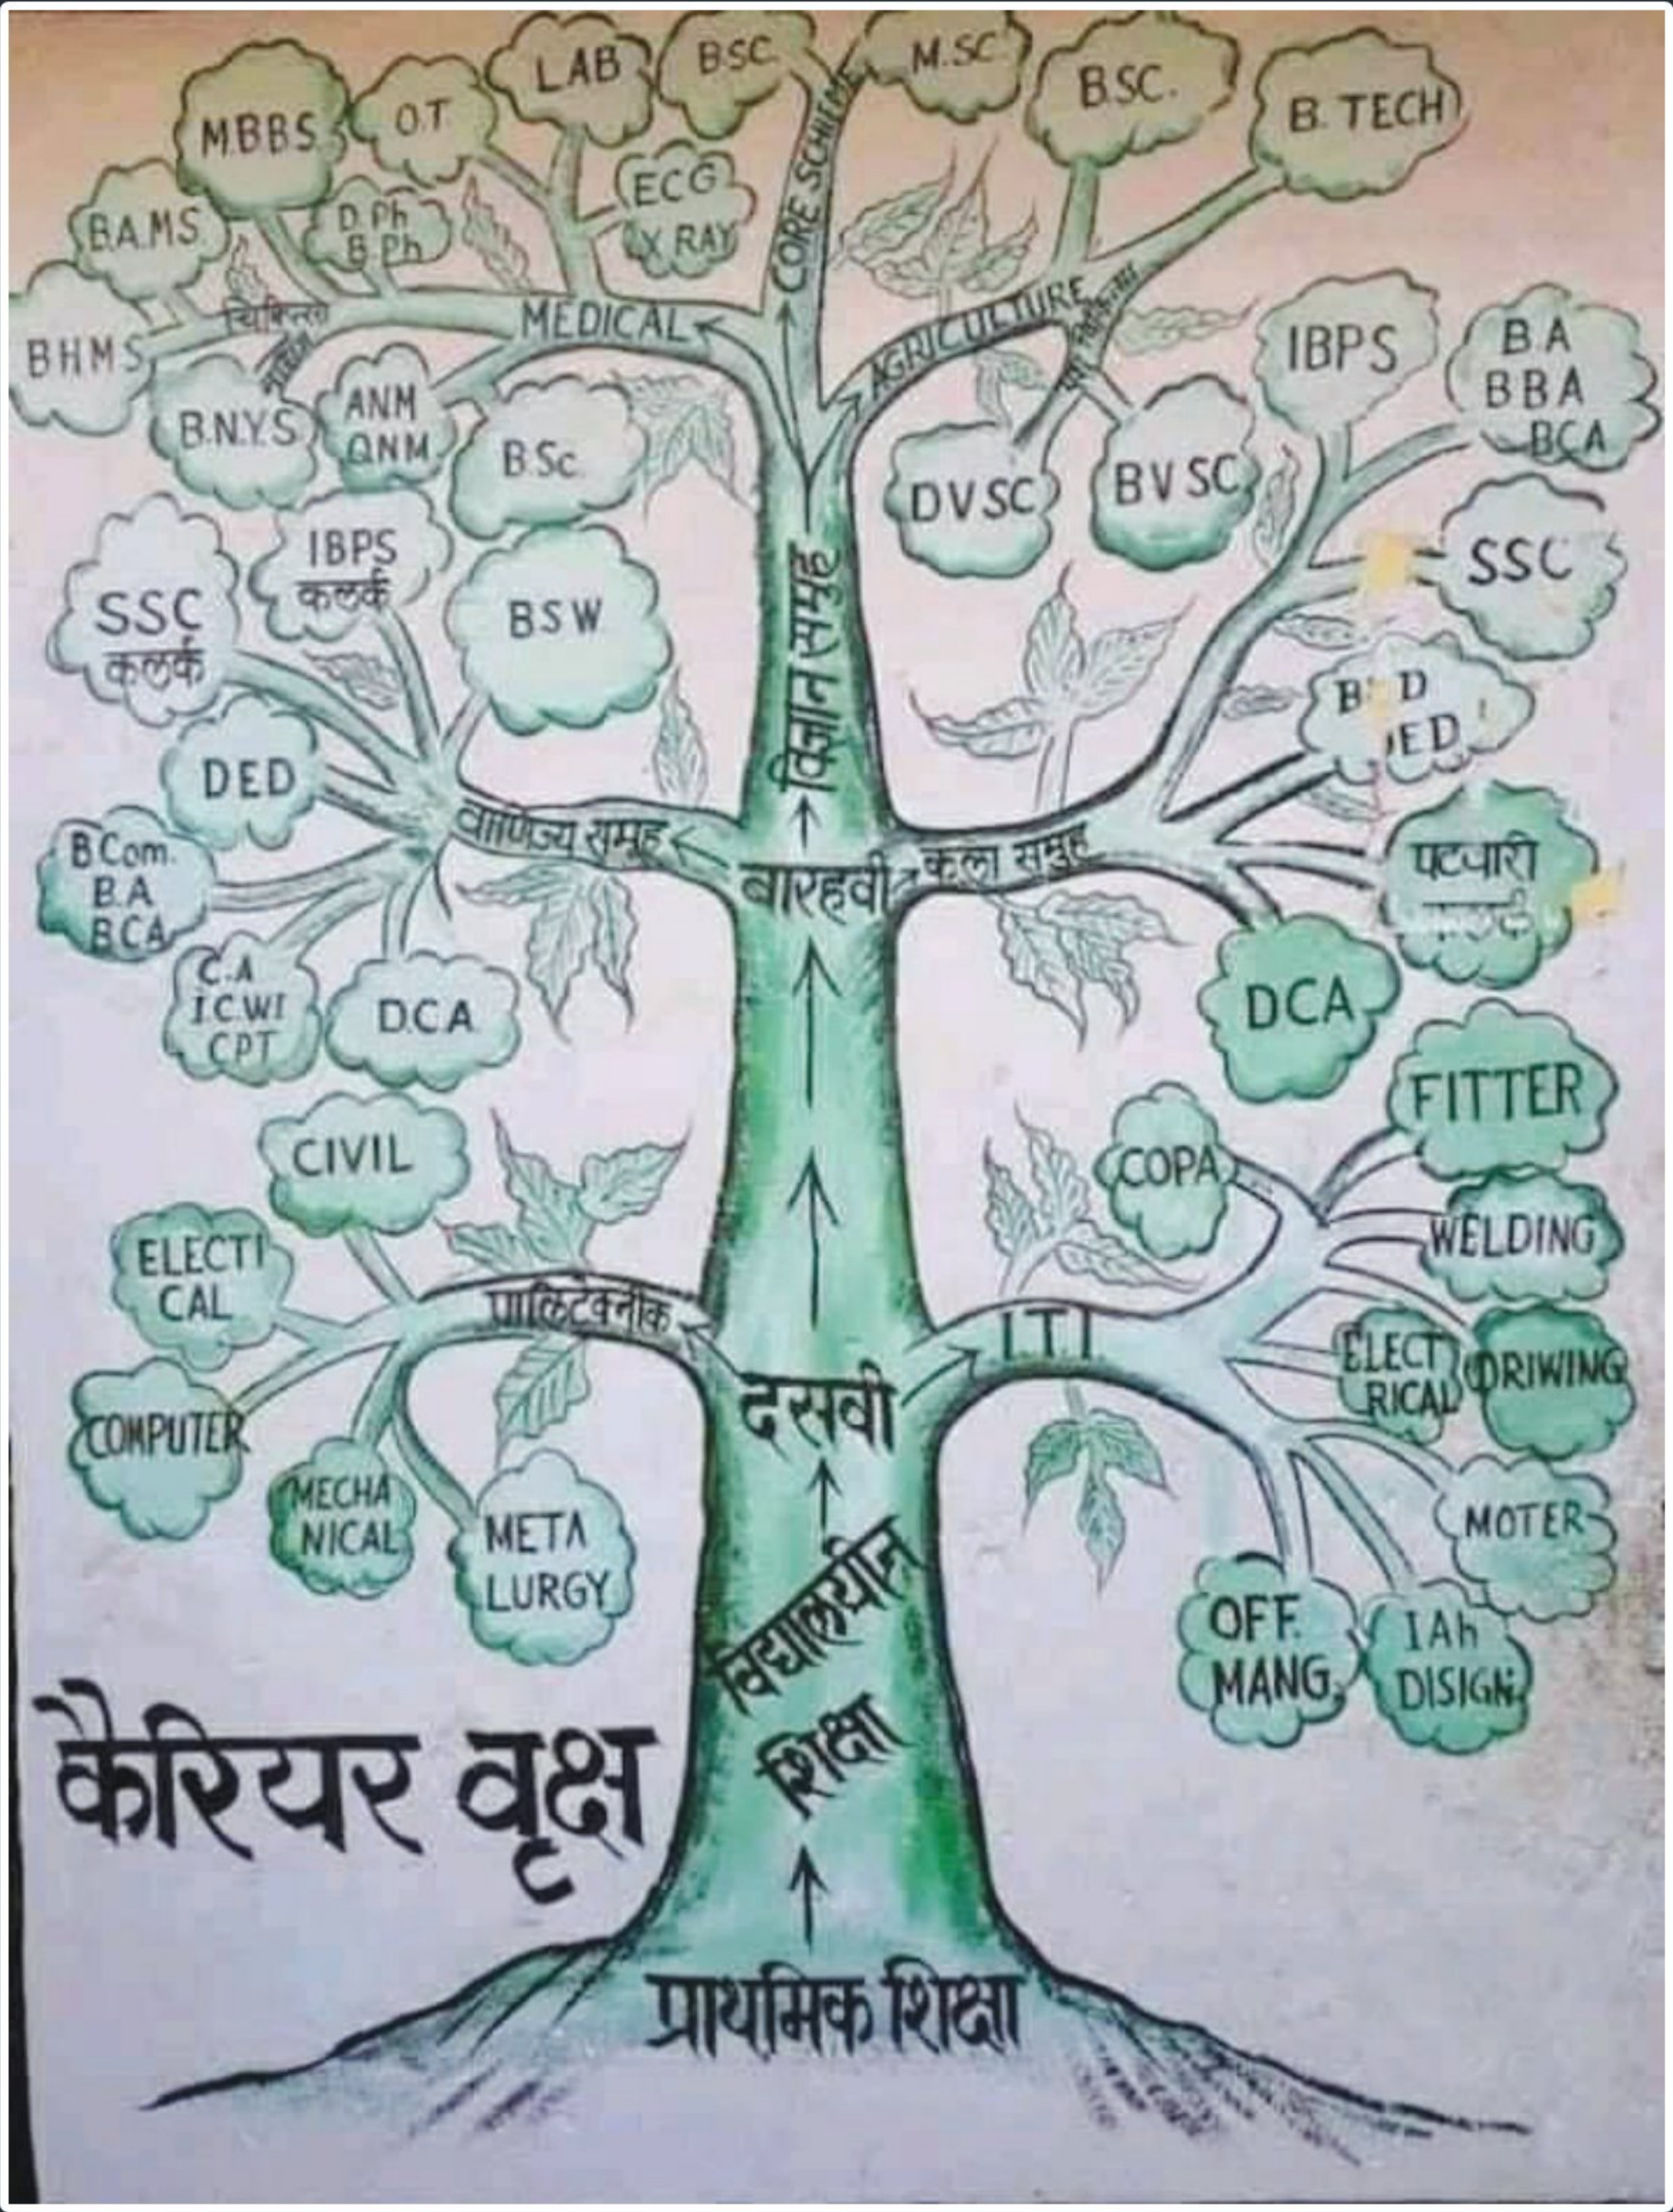

To enforce laws and maintain a just society, the judicial system has become an important part of our lives. Every year, universities across the world enroll thousands of law students to act as custodians of the law. They are the people who know the constitution. They are so eloquent in their speech and behavior that they can help a person get away with murder. Even though we have been taught that crime does not pay, the lawyers and attorneys know otherwise. Without crime, law business goes bankrupt.

When you face challenges or setbacks, it's easy to feel discouraged. However, it's during these tough times that your true strength shines through. It's the moments when you refuse to give up that define your character and set the stage for your success.
